Performance Season is Here!

Our studio's 22nd annual spring performances will be held Saturday, June 17 through Tuesday, June 20. Each class will perform one choreographed dance number at Shorecrest Performing Arts Center. **A preliminary schedule of show and dress rehearsal times will be posted online the first week of February.**

The performance cost is included in spring tuition and pays for: costume, accessories, HD digital recording, theater time, flowers, and a performance program. Photographs are taken at dress rehearsal by Yuen Lui and may be purchased separately.

Please note our **dress rehearsal is mandatory**. Dancers must arrive dressed and stage-ready 20 minutes before their scheduled rehearsal time. Plan on being at the theater for about an hour, but note that the actual time needed will depend on the promptness and readiness of dancers. **Dancers who do not attend dress rehearsal will not be able to perform.**

Performances and mandatory dress rehearsals are held at Shorecrest Performing Arts Center - 15343 25th Avenue NE, Shoreline, WA 98155.

PLEASE NOTE:

Names in the performance program appear as they do in our database. Please log in by March 15 to verify the spelling of your dancer's name.

PERFORMANCE PHILOSOPHY

Our spring recital is all about giving dancers a chance to shine and show off skills they have learned after working hard in class all year. The performance also builds self-esteem as students gain a sense of accomplishment by getting up onstage to perform the choreography they have mastered. Our shows build character and strengthen our sense of community. Our dancers come together, working with their classmates and teachers, to present and celebrate dance across a memorable weekend.

Dance is a performing art, and for our students, performing is just plain fun! We hope your family will join us. Warmly,

~Maygan

A Note About ATD Company 2017

Since 2003 the ATD Company has provided an outlet for artistic expression to our upper-level dancers. Each year, approximately 50 dancers enjoy the challenge and intense experience of rehearsing and preparing a well-choreographed show. We encourage all of our students to attend this annual sell-out event.

Please buy your tickets early on tututix.com.
